It’s amazing

Verse 1:
- Hey girl, what’s on your mind?
Has somebody hurt you
or somebody fooled you?
- It’s all right,
just scars of a fight
Nothing can hurt me
when you stand behind
and I use the power
of the love that I find

in the hymns that we sing,
from the bells that we ring
Can’t you hear the voice
telling you to bring:
What you see or forget,
what you do or regret,
it’s all about this amazing thing!

Verse 2:
- Hey girl, it’s on your mind
But how can you face it,
it’s so hard to embrace it?
- It’s all right,
‘cause I’ve seen the light
All things can pass me
when you stand behind
and I use the power
of the love that I find

in the comfort I feel
from a care that will heal
I can hear the tune playing,
it’s just so real
From the songs and the words,
they have always been heard,
it’s all about the amazing deal!

Chorus:
It is love
we are tracing,
we are tracing!
It’s the grace
that’s amazing,
that’s amazing!

You’ll stand behind me
as strong as the boulders,
but somebody’s with us,
who stands at our shoulders
This is a message from God to our souls
It’s amazing,
it’s amazing!

It is love
we are tracing,
we are tracing!
It’s the grace,
that’s amazing,
that’s amazing,
it’s amazing,
it’s amazing!

Coda:
All things can pass me
when you stand behind
and I use the power
of the love that I find

This is the message from
God to my soul
It’s amazing!
